District Superintendent's Report

District Five continued our legacy of excellence in academics, athletics, the arts, administration and community service during the 2013-14 school year.

District Five received an “A” rating under the federal accountability system and an “excellent” rating on our state report card. U.S. News & World Report ranked District Five as one of the best school districts in SC for preparing students for college. Our SAT and ACT scores beat the national average and were among the best in the state. We retained one of the lowest dropout rates in SC and our high school students led the Midlands in end-of-course examination results. Sixteen schools received Palmetto Gold or Silver awards, more than 200 students were honored as Junior Scholars and our graduating seniors earned more than \$120 million in college scholarships.

The District’s safety and security posture was enhanced as we placed a School Resource Officer in every school.

Our athletics and arts programs continue to enrich our students’ lives and expand their horizons. We had many very successful athletic campaigns including a state championship in football and girls’ basketball. Our band, choral, dance, cheerleading and JROTC programs received numerous accolades.

District Five has world class educators and staff. Many were recognized with individual honors. Eighteen teachers earned National Board Certification bringing our total to 393. Our District boasts the SC Physical Education Teacher, Athletic Director, Personnel Administrator and Basketball Coach of the Year, a Milken Educator and a SCASA Lifetime Achievement Award winner.

District Five is a great community partner. This year, our students and staff raised nearly \$245,000 in cash and in-kind donations toward worthy causes. Staff, parent volunteers and students donated more than 40,000 hours bringing the total value of our community support to nearly \$700,000.

This year, we opened Spring Hill High School, broke ground on the new middle school and continued major construction and renovation projects at our other high schools. These building projects will provide our students, staff, parents and community with great facilities that will pay big dividends well into the future.

Thanks to our community, businesses, school leaders, teachers, parents and students who all came together for another banner year. As we look forward to the next school year, we will continue to pursue excellence in all we do so that our students are ready to conquer tomorrow’s challenges.

Stephen W. Hefner, Superintendent
